

The taskbar at the bottom of the screen displays several application icons: Windows Start button, Search, Edge browser, File Explorer, Mail, Google Chrome, OneDrive, Internet Explorer, and a red book icon. To the right of these icons are three more icons: a calendar, a document with a green checkmark, and a document with a blue checkmark. On the far right of the taskbar, the system tray shows the time as 22:20 and the date as 11.05.2016, along with icons for network, volume, and notifications.
